

WHAT IS HEALY?

Healy is a holistic wellness device that is used to balance our body's bioenergetic field. It can analyse and detect imbalances in our physical, mental and emotional energetic fields and recommend specific programs and frequencies to bring them back into balance.

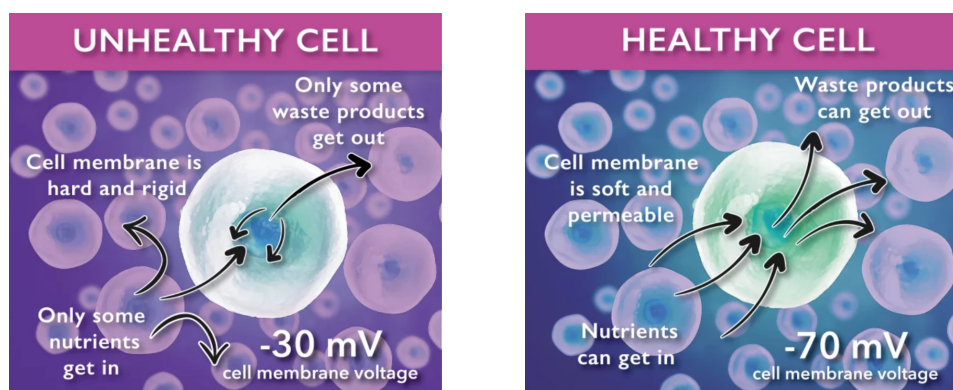

"FUTURE MEDICINE WILL BE THE MEDICINE OF FREQUENCIES"
- ALBERT EINSTEIN

It will carry micro-current electricity into the body to remove blockages and return the voltage of your cells back to a healthy level. This micro current device is manufactured in Germany. This type of therapy device has been commonly used by doctors and practitioners over decades. **Now it is available as a personal portable wearable device, offered at an affordable price and operated through your smartphone and an app.**

Based on the use from over 2000 therapists worldwide, who have seen more than 500,000 patients, this 15 year old technology is all backed by quantum physics. This science proves that our bodies are made up of atoms which produce, emit and receive energy and operate at a specific frequency.

All of our tissues, organs, muscles and thought patterns have their own unique electromagnetic fields (energy), as do allergens, viruses and bacteria. **All things have a frequency, including you.** It has been shown that a normal person has a frequency of 62-72 MegaHertz - When the body drops below this frequency we are susceptible to disease and imbalances.

When we experience these imbalances the device's micro currents are then used to change our body's frequencies and support the cells within the body to return it to its natural energetic alignment. **Too often we are living out of balance and out of alignment. Health is our greatest asset.** Healy can aid in your health and wellbeing and support your body in all of its needs through customized specific frequencies to realign your cellular energy.

Above is a picture of an unhealthy cell vs a healthy cell. In the case of the unhealthy cell, if an injury or body imbalance is left ignored it can have devastating long term effects, both physically and mentally.

WHAT CAN HEALY DO FOR ME?

The device has frequency programs that target a variety of physical, mental, emotional and spiritual aspects of the body. Of the 229+ programs, there is a program for everyone!

This device can offer support in:

- ACUTE OR CHRONIC PAIN
- IMMUNITY
- STRAINED MUSCLES
- ALLERGIES
- CONCENTRATION
- FATIGUE
- STRESS
- MIGRAINES
- SLEEP
- SKIN
- ARTHRITIS
- EMOTIONAL WELLBEING
- MEMORY
- FITNESS
- HORMONES
- AGING

And so much more (including helping your pets!). It's amazing how people can benefit from the programs offered with Healy and bring all aspects of their health (**physical, emotional and mental**) to an optimal level.

Healy has a quantum sensor that detects the deficiencies in your body and uses frequencies to rebalance your energetic field back to optimal levels.

In use, the Healy then applies subtle currents and individualized frequencies to your body via it's electrodes.

Whether at home or on the go, in leisure time or at work, Healy is able to strengthen and harmonize your body's imbalances all while you are living your life and operating in your day to day activities.

HEALY EDITIONS

Healy is available in 5 different wellness based models- Healy gold, Healy Holistic, Healy Resonance, Healy Resonance Plus, and Healy Professional Edition. The Healy device itself is the same for all five editions, however the wellness programs differ based on which edition you choose. Each Healy edition comes with the preloaded corresponding programs.

The Healy Professional is the top edition and has all 229 programs and 6 modules, as well as the ability to scan and analyze to determine individualized programs based on your body's needs. **The Resonance and Professional editions can also scan your Aura and assess your chakras to determine suitable ways to optimize your Aura.**

Based on your needs you can determine which edition best suits you. If you choose any other edition other than a Professional, your programming can be upgraded to the next edition at any time for an additional cost. Once you've purchased a device and want to run a frequency program simply download the app and connect the Healy. Then select the program or application, apply the electrodes and enjoy. One device can be used for your entire household.
